www.SiliconValleyHypnosisCenter.com

Please briefly tell your story of your time at Silicon Valley Hypnosis Center. You may share what kind of changes and experiences you've had, or you may share why you came here in the first place, and how well you're doing now.

SVHC really helped my personal growth and confidence, in addition to my eating habits. I don't feel afraid of my eating or disappointed in myself. I progress at the right speed for me.

For what issue(s) did you come to the Silicon Valley Hypnosis Center?

Weight loss

Please share how successful hypnosis has been for you.

I feel happier with my body and my eating choices. I've cut down on emotional eating.

What has been unique about your hypnosis experience compared to other methods you've tried before?

I never felt rushed or like I did something wrong that I couldn't fix.

Why did you choose Silicon Valley Hypnosis Center?
